

Helping you build competent teams, for

# SMOOTH IMPLEMENTATION

## MANAGEMENT SYSTEMS TRAINING

NIOSHCert offers a wide range of training courses aimed at enhancing and improving your organisation's skills, competency and knowledge, allowing you to build the capacity to internally support your organisation's management system certification journey.

Our TRAINING PROGRAMMES range from general awareness programmes, to specialised competency programmes, which are conducted online, in classrooms and on-site.

Our TRAINING MODULES are developed by experts and are constantly updated to reflect current practices and requirements.

Our TRAINERS are certified, and specifically selected for their knowledge, experience, and qualifications to meet your training needs.

# NIOSH Cert aims to create impact collaboratively

SCAN ME

NIOSH CERTIFICATION SDN. BHD. (NIOSH Cert) is a leading national certification body and a wholly owned subsidiary of the National Institute of Occupational Safety and Health (NIOSH), and the Ministry of Human Resources, Malaysia.

We have a proven track record of delivering reliable and comprehensive assessments, in conformance with the relevant international standards, codes of practices, guidelines and rules and regulations.

Since 2004, NIOSH Cert has been a collaboratively partner in the ISO Certification journeys of Malaysia's most successful companies, government bodies, higher learning institutions and SMEs. We have helped clients create impact and give value to the world's communities through providing internationally-recognised certification services.

It is our passion and privilege to be the trusted, reliable and transparent partner in helping our clients increase the efficiency and effectiveness of their businesses operations. Testimony to NIOSH Cert's emphasis on customer satisfaction, our top 10 clients have been with us for an average of 10 years.

## OUR COMMITMENT

NIOSH Cert's business practices are safe, responsible, impartial, and transparent in accordance with our Core Values and ISO 17021 Principles.

## ONLINE REGISTRATION PROCESS

<https://flex.nioshcert.com/training>

1

### Select Training Programme

Click ENROL for the training programme you wish to register for. Please check the programme details (date, venue, fee, description) before enrolling.

2

### Receive Confirmation of Application email

Participant will receive an email to confirm the application has been received. The email will include the following details:

- Course title
- New Terms and Conditions by HRDF
- Guidelines for Online Learning by HRDF
- HRDF Training Grant Application Form download link
- NIOSH Cert's training coordinator details

3

### Receive Confirmation of Participation

Participant will receive an email to confirm their participation once registration is verified. The email will include the following details:

- Verification of participants registration details
- Confirmed training date and details.

4

### WhatsApp Group Invitation

NIOSH Cert's training coordinator will connect with the confirmed participants for details on the training arrangements. This can include:

- Course detailed programme
- Zoom invitation link
- Zoom Cloud Meetings Guidelines

5

### Training Days

Participants attend the course in two different modes – online learning, and/or physical classroom learning.

Note: Details of attendance, graduation date and status, payment status, and e-certificate generation will be updated in FLEX

6

### E-Certificate

Training coordinators will advise participants on the availability of the e-certificate, and provide guidelines to download in the WhatsApp group.

7

### Evaluation/Feedback

Participants may provide feedback on the training programme either by using the online feedback form available at [www.nioshcert.com](http://www.nioshcert.com), or email to the training coordinator.
